Dear Student,

Our Lady of Guadalupe Residence is an MULTI CULTURAL RESIDENCE run by a Mexican Order of Nuns, the Clarissan Missionary Sisters of the Blessed Sacrament. The Residence was built in 1980 our website shows some views of it.

At the Residence, we aim at providing both privacy and a friendly atmosphere as the students are actively encouraged to study and participate in the activities of the University or College they are attending. We, in turn, express our vocation by providing a loving and safe environment for the students. Being a house where several cultures meet for a period of time, gives the students the opportunity of sharing their lives spontaneously with respect and tolerance. The residence does not make differences between people, race, colour, culture or religion. On the contrary, we see the divergences as a very precious value.

To ensure that this is maintained, for the benefit of all, there are regulations to be observed by all. These are in many ways similar to those you would have in your own home.

If you wish to reserve a room, please return the attached Booking Reservation form fully completed. The booking fee is not refundable. Therefore, you are advised not to make any payment until you receive the confirmation of the availability of place.

Yours sincerely,

Sister in charge
